The primary aim of an Institution Innovation Council (IIC) Cell is to foster a culture of innovation and entrepreneurship among students, within an educational institution. These Cells are typically established as per the guidelines of the Innovation Cell of the Ministry of Education, Government of India, to promote innovation and startup ecosystems in educational institutions across India. The Workshop on "**R&D Alchemy: Transforming Ideas into Innovations**" organized by the [CSIT, Durg] IIC Cell was a resounding success in fulfilling its objective of fostering entrepreneurial spirit and imparting valuable knowledge to participants. The event served as a catalyst for igniting innovation and entrepreneurship within the college campus, paving the way for a vibrant startup ecosystem. These sessions provided participants with valuable knowledge and practical guidance on building sustainable startups. We extend our heartfelt gratitude to the speakers, and participants who contributed to the success of the workshop. .
